

## Proposed School Boundary Revision Woodward Elementary - McNeely Elementary

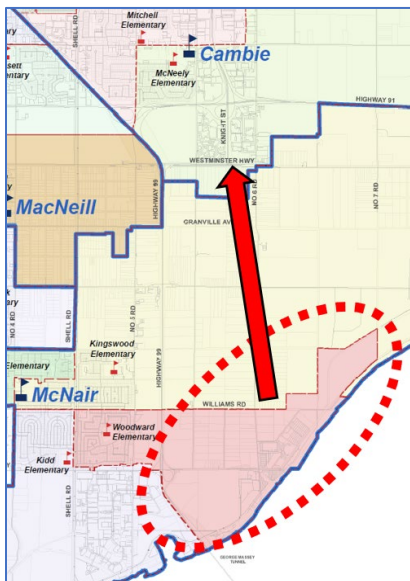

A school boundary revision is being proposed for Woodward and McNeely Elementary. Under this proposal, a portion of the Woodward Elementary catchment area (see map below) will be moved to the McNeely Elementary catchment area. The purpose of this school boundary revision is to reflect the regional strategy in the Long Range Facilities Plan.

If your child presently attends Woodward Elementary and you reside in the proposed move area, you will:

- not be affected by the boundary revision,
- have the choice to enrol siblings at Woodward Elementary,
- have the choice to enrol your child at either Cambie Secondary or McNair Secondary if they remain at Woodward Elementary,
- have the choice to transfer your child to the new catchment area to attend McNeely Elementary and Cambie Secondary.

### Who is affected?

As of September 2020, all new students living in the adjusted catchment area will attend McNeely Elementary, and their secondary catchment will be Cambie Secondary.

The proposed school boundary revision is east of Highway 99
