

SAFE ARRIVAL PROGRAM

Welcome to Woodward – Home of the Wildcats

At Woodward school we have a “safe arrival program” where parents are required to call the school to report any absences or late arrival of their child(ren). Please call the safe arrival program before school starts to report any absences or late arrive of your child(ren). Please call the school line at **604-668-6296**, and leave a message with your child’s name and division and whether your child will be arriving late or absent. You may call this number 24/7 anytime, ie. Late evening, during the night, early morning, etc. and it is not required to wait for the school to open.

Thank you for your cooperation in ensuring the safety of your child!
